

90-Minute Art-Making Challenge Call for Artists

How do you make art? How many steps are there?

How long does it take? 9 hours, 9 days, or 9 weeks?

What can you make in 90 minutes? How would you adapt your style?

Artists of All Abilities are invited to the **90-Minute Art-Making Challenge** where they will create a piece of art from a still life and/or portrait subject.

Artists provide their own supplies and we provide the setting.

The event is open to the public, including judges, to watch your process.

Judges will select a winner and award a **\$250 cash prize** at 1:30pm.

*Artists will arrive at 9:30am to load in and set up their space.
