

Call for 2D/3D Art

Accessible Expressions Ohio

Deadline to Apply: Friday, December 1, 2018

About AEO

Accessible Expressions Ohio is one of the most diverse art exhibits on display. AEO is an adjudicated, statewide exhibition and tour of 2D and 3D art by artists with disabilities. Sixty (60) pieces of art will be selected from this call for art. Artists of any age, living in Ohio, with a disability may enter in the Youth, Emerging, or Professional categories.

- ✓ AEO raises awareness by presenting the show in inclusive settings designed to change perceptions about disability.
- ✓ AEO is a professional development opportunity. Whether it's your first acceptance into an exhibit or another line on your resume, AEO connects artists with peers and a statewide audience of potential patrons.
- ✓ Sales of artwork are encouraged during the tour
- ✓ Every artist receives a Certificate of Participation
- ✓ Several cash awards are offered, including Best in Show and People's Choice
- ✓ AEO has included 1,500+ artists since it began in 1996.

The tour begins at one site, with all the art together and an opening reception in March 2019. The exhibit is then curated into 2-3 smaller groups of 20-30 pieces. These groups travel to sites around Ohio from April through December. For more information about AEO, including images of past and current art, and a current tour listing visit www.vsaohio.org/aEO.
